Prices excl. VAT plus shipping costs

Description

Moretto F1F30K W Kasko conveyor 230V

- includes hopper (1L capacity) and hose with probe Ø 40 mm
- new

* All prices excl. VAT plus shipping costs and possible delivery charges, if not stated otherwise.

- single-phase conveyor
- very quiet < 76 dB
- 1 dm³ capacity
- 30 kg/h throughput

The single-phase conveyor units are a reliable solution for conveying material directly at the machine. They are equipped with a powerful 2-stage turbine and automatic filter cleaning. Thanks to their stainless steel construction, they are reliable in the long term and prepared for use with a proportional valve.
