 <p>A photograph of a mobile grease press machine. It consists of a blue cylindrical tank on a white base with wheels. A black hose is connected to the top of the tank, leading to a high-pressure nozzle assembly. The machine is positioned in front of a white corrugated metal wall.</p>	<p>Tecalemit high pressure grease press, mobile</p> <p>Product number: 799053</p>	<p>€578.00*</p>
